

EXCLUSIVE CONTRIBUTED ARTICLE AGREEMENT

This Agreement is made as of _____, among PennWell Corporation, an Oklahoma corporation with its principal office at 1421 South Sheridan Road, Tulsa, Oklahoma 74112 (hereinafter "PennWell"), which publishes **Laser Focus World** magazine, and _____, a Corporation having an office at _____ (hereinafter "Company"), and _____ (hereinafter "Author"), an employee of Company. Author and Company shall collectively be referred to as "Contributor."

Author agrees to conceive, develop, and produce a certain original article tentatively titled "_____" and/or certain graphs, tables, photographs, illustrations, graphics, or other non-text items, as requested by PennWell for publication in **Laser Focus World** magazine (each supplied item being referred to as the "Work"). In consideration of PennWell's publishing the Work in **Laser Focus World** magazine and the benefits in the form of enhanced reputation and recognition resulting from such publication, the sufficiency of which the parties hereby acknowledge, Contributor hereby grants to PennWell (along with the license below) the exclusive right of publication under the United States Copyright Act (17 U.S.C. Section 101 et. seq.) as well as the exclusive right to reproduce, reformat, and redistribute all or part of the Work in all languages and in all media of expression now known or later developed, including but not limited to electronic formats such as CD-ROM, diskette, direct on-line access to a Web site or database that includes the Work, or any other form or format in which the Work may exist, in whole or in part, in addition to its first printed hard copy publication in **Laser Focus World** magazine. PennWell reserves the right to edit the Work to make it suitable for publication. Contributor additionally grants to PennWell a non-exclusive, royalty-free, worldwide, and irrevocable license to (i) use the Work to prepare compilations, adaptations, and/or derivative works from the Work, (ii) republish the Work as first published in subsequent works owned or controlled by PennWell as well as to assign, license, and/or sell these rights to any third party, (iii) and display the Work publicly. Contributor retains ownership of all other copyright and intellectual property rights associated with the Work. Author grants PennWell the right to use his/her name, image, and likeness in connection with the Work.
